

Dockmaster Building – District Pier at the Wharf

If coming via ride share – use MI VIDA restaurant as your destination – 98 District Square SW, WDC 20024. From the front entrance to MI VIDA, head toward the water, and the pier is in front of you with the building at the end.

If driving – enter the Wharf via Sutton Square (CVS – 804 Maine Ave. SW, WDC 20024) for GPS – turn right into the property, immediately left into the garage. Proceed through the ticket arm and stay straight to the yellow District Pier/Anthem parking section – has two Pepsi machines and a pay station. Take elevators or stairs up to ground level and turn left/head toward the water, and the pier is in front of you with the building at the end.

Thank you and look forward to seeing you at The Wharf.
